

Chief Operating Officer

Competitive Salary – Dependent on Experience

Arkle Finance is a provider of asset finance to SMEs and specialist finance to consumers and they are looking to recruit a Chief Operating Officer. The new role will support the CEO in establishing the infrastructure and operational excellence required to transform the business.

Key Responsibilities:

- Lead and oversee our business functions on a day to day basis to deliver high quality services to our stakeholders
- Lead change management process in support of business objectives
- Lead the management team to identify and implement operational enhancements when required, be a change champion and develop an operational excellence culture
- Work with all departments to ensure delivery against the strategic direction set by the CEO and Board. This includes setting clear targets, financial planning, and operational risk management
- Provide regular clear reporting to the CEO and other stakeholders on business and team performance against business objectives
- Use data and other information to monitor trends whilst working with the senior management team to refine and develop products, services and improve business performance
- Organisational planning - monitor and provide guidance on staffing levels relative to service levels, business demands and quality
- Maintain and develop own skills, knowledge and behaviours whilst maintaining awareness of industry and regulatory standard and changes

The ideal candidate will be an experienced Asset Finance professional with skills in change management, technology integration and execution of strategic goals. You will have proven experience in an operational leadership role, degree level educated and be commercially astute. Finally, you will work with integrity, openness and be committed to good governance.

To apply please forward a covering letter with CV to lwright@weatherbys.co.uk copying in your Line Manager for information.

Arkle Finance upholds the principles of equality and diversity and actively promotes opportunity for all employees, both current and prospective.
